Re: *Daniel Francisco, et al. v. Peter S. Cooke, Jr., et al.*,
Civil Action No. 21-14575-FLW-DEA

Dear Judge Arpert:

I represent the plaintiffs in the above-captioned action and write to provide the joint status update in this matter that Your Honor requested via an order entered on October 7, 2022.¹ During the teleconference held on October 6, 2022, counsel advised that issues concerning restrictions placed on Mr. Francisco's carry permit, as well as the status of Mr. Katzin's permit generally, were still working their way through the Superior Court. That is still the case today. Additionally, counsel understand that New Jersey's legislature is currently considering legislation that could impact the restrictions on Mr. Francisco's license and decision-making about the appropriate next steps in this case. Accordingly, all counsel are of the view that it would be appropriate to provide another joint status update in approximately thirty days.

Thank you for your consideration. Counsel are available at the convenience of the Court should Your Honor have any questions.

Respectfully submitted,

/s/ Bradley P. Lehman

¹ Your Honor's order requested that the status update be provided on November 6, 2022, which turned out to be a Sunday. Counsel confirmed with Your Honor's chambers late last week that filing this update today was acceptable.
